FROM THE PRO

Dear Members,

It is with a sad heart that I'm writing this farewell note to you. It has been a pleasure for me to have served as your Head Golf Professional for the past twenty years. I will always think of Astoria Golf and Country Club as my home and you as my friends not just members. The life of a golf pro is a very hard one but it is truly a rewarding one too. The friends I've made, the memories I have of you and the Astoria Country Club, the Oregon Coast Tournament, Breakfast Club, and you Retired Guys. What a great bunch of people I've met through these tournaments. You Lyder Cuppers. I will miss all of you. A special thanks to Jim Stroup and Ken Bracken.

Remember me as the guy who combed his hair funny and told you those crummy jokes. May God be good to you. Aloha!

Bob Gasper, Head Professional

FROM THE PRESIDENT

And how we've grown! It is now reported that our Club is the largest 18-hole private country club in Oregon. Here is a current breakdown of our membership: Proprietary 400; Non-Resident 153; Social (under 65) 220; Social (over 65) 178; Honorary 2; Junior 27; Temporary 6; Associate Women 34; Longevity 22. Total Membership 1042.

We now have a Proprietary waiting list of 80. Consistent with our by-laws we will not accept any new Non-Resident applications until, through attrition, we reach our cap of 150.

The social season is off to a great beginning. After a false start due to inclement weather the Ladies' Winter Bridge Tournament is in full bloom with 92 contestants. **Marge Lethin** and **Rita Ginn** are to be congratulated for their organizational leadership.

The Oriental and Italian Buffets were a huge success with two seatings required to accommodate the demand.

The President's Ball was well attended, giving us an opportunity to again recognize the eight former presidents in attendance who so effectively provided leadership to our Club. Outgoing President Ed Rippet, and retiring Board members Bob Canessa and Al Davis received special mementos as an expression of the Club's appreciation for their excellent contributions.

Golf clubs OK women

Portland Golf Club and Astoria Golf and Country Club cleared the way this week for women's proprietary memberships, but prospective applicants face long waiting lists in both cases.

The two clubs approved amendments to their bylaws at annual meetings to open their memberships to women other than wives of men members. The women would have full voting privileges.

Both clubs are full, however, with waiting lists of about 50 at Portland and about 80 at Astoria.

"Presently, our waiting list is closed," said Sam Wood, president at Portland GC. "But, as soon as it is opened, women will be fully eligible to apply. We now

are gender blind."

John Mattingly, manager at Astoria G&CC, said that women applicants would go at the end of the club's waiting list and would be considered as their names reached the top of the list.

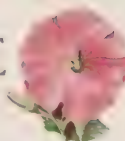

Earlier this fall, Waverley Country Club in Portland also approved a bylaw amendment for women proprietary members.

The actions left Eugene Country Club as the only private golf club in Oregon without provision for women proprietary members. Jurgen Gross, the Eugene CC manager, said that his club's membership has scheduled a vote on the matter for early in January.

Tee # 9 --Play the hole in a regular manner but mum is the word. You must remain silent from the time you Tee up until you reach the Club parking lot. You will putt in with the croquet mallets. Remember if the silence is broken you must add ten strokes to your score for each word or sound you make. It's a tough go ladies but I know you have tight little mouths.

FROM THE PRESIDENT

If members would care to witness a very successful and exciting Club program in operation, I would suggest you come out any Monday at 8:00 a.m. through August 20th and observe our Junior Golf program in full swing.

150 strong boys and girls between ages 8 and 18 follow a well organized plan that provides instruction clinics and practical schooling in all aspects of golf, including course conduct and etiquette.

Each Monday, the players are divided into four groups.

18-Hole Group: 12 years or older with golfing experience.

9-Hole Group: older than 8 years with some playing experience as judged by the Pro Shop and Committee

4-Hole Group: 8 years or older, beginners who can play an hour to an hour and 20 minutes

2-Hole Group: 8 years or older, who need additional time.

Now this kind of program doesn't just happen; it requires a commitment and dedicated volunteers who assist in numerous ways. The program leaders are **Marian Palmberg and Janet Smith** who function as co-chairmen. **Verna Davis** is a regular at the registration desk and Al Davis is the program's official club maker, using surplus equipment contributed by members. Al cuts them down for players who may not have proper equipment or any at all.

Astoria Golf and Country Club is well recognized for its excellent Junior program but they need many volunteers to walk with the players, not only to offer encouragement, but help with scoring and golf etiquette. It's a nice walk in the morning and if you show up on a Monday, **Marian or Janet** will be very happy to assign you a group. You'll see some of your friends who walk regularly. Oh yes, you might want to mark your calendar; on Monday, August 20th, the Juniors will hold their annual tournament, winding up the season.

FROM THE PRESIDENT

One of the real tangible strengths of our organization is the women's organization. We provide many services that frequently go unnoticed and are appreciated, but not

This year's new president, Charlotte Lawrence, has a full crew of volunteers who organize and run their activities. They provide seeing and starting services during the Oregon Coast and assist with the Honor GOLF program. In addition, they provide snack shakers at two locations during the Coast which generate substantial revenues that they use for their operations and Club betterment.

The attractive new trophy case was developed and totally funded by the women's organization. Have you noticed the new wallpaper in the main entrance area as well as a host of new items in the front closet? All this accomplished by a women's work party. They organize several luncheon and social activities during the year for the enjoyment of Club members. Their bridge parties are well attended by golfing and non-golfing members alike.

Their flower arrangements certainly enhance the appearance of our club.

At this writing they have 150 regular members and 200 senior members. Ladies, we thank you!

FROM THE PRO

Last month our President wrote of the very successful Junior Golf program here, and the many efforts of our members with their time and support. Having personally grown up through a Junior program in the Seattle area years ago, I am quite proud to be a part of Astoria Golf and Country Club and its dedicated effort to reach all the coastal Junior Golfers. The opportunity to play our fine course, while receiving the supervision and attention of membership is greatly appreciated by these young golfers. So please remember on these summer Mondays when it's a little inconvenient getting a starting time, we are creating and promoting a bright future for this wonderful game and our Club.

This past month I had the opportunity to participate with 3 of our Juniors in the 1990 Pro/Junior at Gresham Golf Club. I was very impressed with their knowledge and conduct, as well as their fine play.

The Junior players competing at Gresham were all reflections upon the many excellent programs similar to ours within the state. I hope to become more involved in our activities and programs in the years to come, and open the doors for all our Junior members to participate on a regional and national basis.

My staff and I are working diligently to open communication lines and avenues to bring new equipment and the latest fashions into our shop. Please be assured by this coming holiday season and early next spring we will be in full-swing with a few golf shop modifications and several new lines of equipment and merchandise. Thank you for your patience and understanding during this transitional period.

I want to thank the Board and the entire membership for the support and time given to me during last month's PGA Championship in Alabama. The opportunity to represent the Club after such a short time was greatly appreciated.

Reminder: Be sure to check your calendars for the special events and tournament days each month.

STAGETTE NIGHT SONG,

Balls and parties and stagettes,
 Stagettes, parties and balls,
 As President Bush has said before,
 The only way we can win this war,
 Is with balls and parties and stagettes,
 Stagettes, parties and balls,
 For its parties and parties,
 And stagettes and stagettes,
 And balls, balls, balls!

TIN WHISTLE - Use full handicap, taking scores as they fall. 6 points are awarded for an eagle - 4 points for a birdie - 3 points for a par - 2 points for a bogey - 1 point for a double bogey. All on a net basis. Most points accumulated determines winner in each class.

ODD AND EVEN - Two players make up a team. One player takes the even holes, the other the odd holes, deciding which you will play before teeing off. Use 1/2 combined handicap for total net score.

SCRAMBLE - All players tee off. Decide best drive and all hit from there. Decide best second shot; all hit 3rd shot from there and so on until ball is in hole. Count only the best shots for hole total.

BEAT THE PRO - The Pro plays with no handicap, the players using their full handicaps to obtain their net scores. All those who beat the Pro's score are winners.

PARTNER'S BEST BALL - A best ball event - using full handicap, take strokes as they fall on card. The best net score of partners on each hole is used in arriving at the 18-hole total.

THROW-OUT-THREE

Medal Play - no handicap. Each player may throw out her 3 worst holes. Lowest gross score for the 15 holes is winner in each class.

BLIND PARTNER

After players have teed off, the committee makes pairings for partners by lot. A player does not know her partner until the round has been completed. The total of the partner's net score will determine winners.

PUTTING

Only strokes taken on the putting surface with a putter are counted. Winner is player using fewest putts within each class.

CHAPMAN

Both tee off. On 2nd shot each of you hit your partner's ball, then you decide which ball will remain in play and take alternate shots to complete the hole.

BEST NINE

Upon completion of round, total your best nine - any nine holes and subtract $1/2$ your handicap. These holes will not necessarily be consecutive. For example: 1,4,5,9,14 etc. Winners are those with the lowest "nets" in each class.

HIDDEN HOLES

After players have teed off, the chairman draws 9 holes out of 18. The lowest score for these 9 holes less $1/2$ of handicap is the winner for each class.

MOST PARS

Played in classes using full handicap. Player with most net pars or better is winner.

NINE HOLE PLAY

HIDDEN HOLES

DRAW 4 HOLES FROM A HAT. DO NOT LOOK AT THEM. AT END OF GAME WRITE THE NUMBERS ON THE BOARD. TAKE 1/2 OF HANDICAP FROM THE 4 HOLES SCORE.

THROW OUT 3

THROW OUT YOUR 3 WORST HOLES. LOWEST GROSS SCORE FOR 6 HOLES IS WINNER.

FAIRWAYS

COUNT PUTTS AND SUBTRACT FROM TOTAL SCORE. SUBTRACT FULL HANDICAP.

IRONS ONLY

USE ONLY YOUR IRONS - NO WOODS ALLOWED. USE FULL HANDICAP.
